Return this roster & merit badge registration forms with your registration fee. Or, if registering late please email the forms to [advancecamp@yahoo.com](mailto:advancecamp@yahoo.com) before arriving at camp. Completing this roster allows us to pre-assign as many scouts as possible for their first choice. Those registering first will get first assignments to sessions. Classes will be assigned like in High School. We will close classes when filled to 12 scouts and another will be opened. Those registering late will get what is left as staffing an event of this size requires help from the attendees by preregistering for classes. Counselors will be working from a class list to assure those preregistered are in the correct class at the correct time and location. Classes will be assigned as morning or afternoon sessions. Each scout should select 2-3 merit badges and have a backup in mind.

**There is an added fee of \$5.00 per scout per badge on Art, Basketry, Composite Material, Indian Lore, Leatherwork, Lifesaving, Music, Sculpture, Swimming, and Woodcarving where the scout needs to help defray the costs. Woodcarving and Nuclear Science require scouts to be 13 or 1<sup>st</sup> class scouts in order to take these badges at AdvanceCamp. Please remind them to read the book. Nuclear Science, Automotive Maintenance and Lifesaving are planned as a whole day class, therefore only these badges should be listed as scout's choices if desired.**

Please note that all Trailhead scouts need their Scout Handbook with them at camp. Those working on merit badges will need a signed blue card from their unit leader prior to beginning work on merit badges or plan to purchase one (\$.10) at the National Scout Store in Building #1. Also they should bring their merit badge pamphlets.

\*Please Mark (P) for Partial or (N) for New on all Merit Badge Choices. List 2-3 choices for each scout. We will assign the classes on a first come first serve basis, starting with their first options. Webelos choice is Webelos
