Troop Roster Merit Badge & Trailhead Sign-ups

TROOP # _____ ADULT CONTACT _____ PHONE _____

COUNCIL _____ DISTRICT _____ EMAIL _____

Return this roster & merit badge registration with your camp payment. Or, if registering late, please email it to advancement@advancecamp.com before arriving at camp. Completing this roster allows us to pre-assign as many scouts as possible their first choice. Those registering first will get first assignments to sessions.

Please note that all Trailhead scouts need their Scout Handbook with them at camp. Those working on merit badges will need a signed blue card from their unit leader prior to beginning work on merit badges and they should bring their merit badge pamphlets or plan to purchase one at the Trading Post.
